A Holiday Guide For Every Believer and Every Age!

This is the season that makes you think — of what to be thankful for, what you should do to take care of your health as the new year approaches, what to do for the holidays, where to go, what to see ... oh yes, and what gifts to buy. Decisions, decisions! The one thing you do not want to be doing this season is cocooning.

This is a joyous season. A time to be with family and friends and enjoy the invigorating outdoors and indoor. Take the time to enjoy the sights and sounds of Christmas (or whatever name you want this holiday to go by). For me it always was and always will be Christmas. For many of my friends and readers its Hanukkah, Diwali, Kwanzaa and Winter Solstice. Whatever your religion or beliefs, we are all one people enjoying this one life — and this is a great time to get out and ENJOY — together! Cold or snow always create a great buzz for those who crave outdoor sports and activities. It's also a great backdrop for some fun times indoors by attending a concert, play, movie, dinner or visit one of the great galleries the city has to offer. There is no shortage of festivities going on throughout Southern Ontario. This issue will guide you through the holidays.

Enjoy this wonderful and joyous season.

In the Spirit of Christmas

This is a time to show compassion for those who are not as fortunate as we are. These are our brothers and sisters on the streets, in the shelters, and those lined up at the food banks. They are people like us, who for one reason or another, are unable to enjoy what we take for granted. Remember to help those less fortunate during this holiday season. The spirit of the season only shines through us. We are the ones who can help lighten up the rest of the world. Throughout the year, we should be their beacons but at this time of year we can become the real, Christmas light for many who need us – the shining star on their virtual tree of life.
